

P.E.A.R.L.S. PROGRAM

P.E.A.R.L. HOPE Mentoring will help your child:

- Make decisions and set goals, keep motivated and focused on their goals
- Improve in school
- Nurture their confidence and self-esteem
- Listen to them and help them solve their problems. Introduce them to new ideas, activities, and opportunities
- Explore career possibilities
- Meet successful people
- Build confidence and self-love

12-month program broken down into quarters. It prepares girls ages 6-18 to meet the challenges of adolescence and young adulthood through several coordinated, progressive series of high-quality activities and learning experiences that help them to achieve social, emotional, spiritual, and physical well-being.

Girls participate in group mentoring, community service, and enrichment activities as they gain the ability to affirm, lead themselves and others on a course of action. They also gain the ability to recognize their own strengths and weaknesses, set personal goals, and have the self-confidence and self-esteem to pursue and implement their goals

PROGRAMS

PEARLY

Ages 6 – 10

All girls need a healthy solid start in life. As they begin their journey to adolescence, HOPE PEARL provides these girls with a strong, solid structured foundation so they enter adolescence with a healthy self-image and self-confidence. Knowing how to affirm and love themselves

PEARL MILD

Ages 11 – 14

Middle school is a Segway from girlhood to young adulthood. It is a time of transition and rapid physical development that leaves many girls with bruised...

emotions and diminished esteem as their bodies, emotions, and relationships begin to change. PEARLS nurtures young ladies through this volatile life stage so they feel assured and empowered and then emerge as accepted confident, and assured young ladies.

PEARL ELITE

Ages 15 - 18

Young ladies in high school are searching for independence and identity. Their personal needs and priorities are the basis for goal setting. Clarity is key, it helps craft the path for their lives. They are ready to explore and prepare for future careers and roles. PEARL Elite supports these young ladies in discovering their potential and serving as a role model to other young ladies, the Mild and Pearly young ladies.
